

Datasheet: 4956-0404

Description:	RABBIT ANTI HERPES SIMPLEX VIRUS 1/2		
Specificity:	HERPES SIMPLEX VIRUS 1/2		
Format:	Purified		
Product Type:	Polyclonal Antibody		
Isotype:	Polyclonal IgG		
Quantity:	1 ml		

# **Product Details**

#### **Applications**

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <a href="https://www.bio-rad-antibodies.com/protocols">www.bio-rad-antibodies.com/protocols</a>.

	Yes	No	Not Determined	Suggested Dilution
Flow Cytometry			•	
Immunohistology - Frozen			•	
Immunohistology - Paraffin			•	
ELISA				
Western Blotting			•	
Immunofluorescence	-			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species	Viral	
Product Form	Purified IgG - liquid	
Buffer Solution	Phosphate buffered saline	
Preservative Stabilisers	0.1% Sodium Azide (NaN <sub>3</sub> )	
Approx. Protein Concentrations	Ig concentration 4.0 mg/ml	
Immunogen	Human HSV, strain F.	
Specificity	Rabbit anti Herpes simplex virus antibody recognizes Herpes Simplex viruses 1 & 2 and reacts with ICPs and late structural (virion) antigens. It does not react with uninfected HEp-2 cells.

**Storage** Store at +4°C or at -20°C if preferred.

Storage in frost-free freezers is not recommended.

This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before

**Shelf Life** 18 months from date of despatch.

**Health And Safety** Material Safety Datasheet documentation #10303 available at: 10303: https://www.bio-rad-antibodies.com/uploads/MSDS/10303.pdf Information

Regulatory For research purposes only
